30% Catarratto

VINEYARDS AGE
5–25 years old

SOIL TYPE
Volcanic

ALTITUDE
700 mts

**YIELD IN GRAPES
PER HECTARE**
70 quintals

**WINEMAKING
AND REFINEMENT**
Winemaking in traditional
white wine handled with
stainless steel wine barrels
thermo-conditioned at
14 °C; refinement in
stainless steel for 3/4
months. The alcoholic
fermentation is led with
selected yeasts.

PAIRINGS
Starters of cooked or
raw fish, risotto with white
meat, fish or vegetables,
mains of grilled or baked
fish, white meat not
particularly spicy.

ORGANOLEPTIC DATA
Straw yellow colour with
greenish reflections. Fresh
in terms of smell, quite
intense, with hints of
white flowers and citrus;
pleasantly acidic and with
a good persistence.

**RECOMMENDED
TEMPERATURE**
10–12 °C
